## ADVERSE WEATHER CONDITIONS

During the winter period the weather can be most unpredictable, may I therefore remind everyone about the procedures when weather conditions are extreme. I would be grateful if you could bear the following points in mind.

1. Pupils will not be sent home early from school unless their parents have been notified.
2. When road conditions are poor, drivers may have difficulty keeping to schedule. Could you please bear with them at these times.
3. If it is necessary to close the school, the information will be on the school website ([www.wrenspinney.northants.sch.uk](http://www.wrenspinney.northants.sch.uk)) and will normally be on **Northampton Council Website** ([www.northamptonshire.gov.uk/ismyschoolclosed](http://www.northamptonshire.gov.uk/ismyschoolclosed)) or listen to **Radio Northampton - FM 103.6 or 104.2** and **Northants Heart – FM 96.6** as early as possible. If there is snow on the ground in the morning please listen to the radio. Class teachers will also endeavour to contact parents by phone.
4. Even if the school is open, there may be some bus routes, which are hazardous. **Drivers are advised not to pick up pupils if to do so would put the children at risk.**
5. **If you have any doubts about whether or not the school is open please ring the school on Kettering 481939.** If you do not get a reply, keep trying: some members of staff will get in to man the phones, but they too may be delayed by the weather.
6. **If you are unsure whether your bus will be running please phone transport on 01604 654390 as the school will not be able to answer these queries.**

Every effort will be made to keep the school running as normally as possible.

*Thank you for your continued support in these circumstances.*
