16-19 Bursary Fund Policy 2021-2022

This document follows current advice provided by the Education and Skills Funding Agency (ESFA) and sets out how Wren Spinney Community School will administer and distribute the 16-19 Bursary funding. The Bursary will be awarded according to eligibility, funding received and advice and guidance from the ESFA.

There are two types of Bursary:

- Vulnerable Bursary - this is a bursary of up to £1,200. This bursary is for students in defined groups who may need a greater level of support to enable them to continue to participate in their education at Wren Spinney Community School. This funding is drawn from the Student Bursary Support Service (SBSS) on an individual basis by Wren Spinney Community School once an application has been agreed.
- Discretionary Bursary - this is a bursary awarded to students to help overcome individual barriers to education, for example to purchase specific clothes, books and equipment. It is for the bursary panel to decide which students will receive a discretionary bursary and how much they will receive. This bursary is taken from an amount of money allocated to Wren Spinney Community School by the ESFA and used by Wren Spinney Community School to purchase requested items.

Wren Spinney Community School will determine the eligibility criteria for bursaries, the frequency of and conditions for payments for all awards. The 16-19 Bursary will only be awarded to a student who is eligible and facing genuine financial barriers to participating.

Eligibility

To be eligible to receive a 16-19 Bursary in the 2021-2022 academic year, the student must be aged 16 or *over* and under 19 on 31st August 2021.

Students must also satisfy the residency criteria set out in the ESFA Funding Guidance. (A person on 1 September who is settled in the UK, and has been ordinarily resident in the UK and Islands for the three years preceding the 1 September). If you are in any doubt, please speak with the School.

Students should be participating in provision that is subject to inspection by a public body that assures quality and funded within the relevant guidelines.

Vulnerable Bursary Fund – Level One

Students who are in one or more of the groups below can apply for a bursary of up to £1200 a year, paid in three instalments:

- In care

- Care leavers
- Receiving Income Support or Universal Credit because they are financially supporting themselves or themselves and someone who is living with them such as a child or a partner
- Receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right

Payment for the vulnerable bursary is to be made directly to the student's bank account in 3 termly instalments. In exceptional circumstances the bursary may be payable to parents/carers who have the responsibility for managing the account on behalf of the student.

Discretionary Bursary Fund – Level Two

Students who are in receipt of free school meals or have a total household income of below £15,000 can apply for a discretionary bursary for specific educational purposes. Household income can be evidenced by receipt of benefit and/or P60, Tax Credit Award Notice or evidence of self-employment income. All evidence of household income will be in strict confidence.

Alternatively, an award may be made by the Headteacher for students who have an EHCP in place.

The items requested will be purchased by the School, but will be the property of the student.

Assessment

The bursary awards panel will assess each application with supporting documentation in the strictest confidence. Any student who believes they are eligible for any level of funding from the 16-19 bursaries should complete an application form.

Bursary Panel

The Bursary Panel is made up of members of the Senior Leadership Team and Finance.

Attendance and Behaviour Requirements

Once the School has acknowledged eligibility, participating students at Wren Spinney Community School must adhere to the following criteria:

- Good attendance unless they have received prior permission from the Principal for authorised absence. Ill-health will be assessed on an individual basis.
- If students are late, after registration has closed, this will count as an absence – for the attendance requirements.

Students must abide by the standards of behaviour and effort as agreed at the start of their academic year – with their class teacher and Department Lead. If poor behaviour is reported, supported by documentary evidence, then payment may be affected.

Appeals

Parents/carers and students have the right to appeal to the Bursary Awards Panel in all cases if it is felt that the payment has been withheld without justification.

Equal Opportunities

Wren Spinney Community School will make every effort to ensure that all those students entitled to bursaries receive such support. Students/parents and carers will receive information about the bursaries and will be entitled to apply for a bursary if they consider that they fall into any of the eligibility groups above.
