Dear Scott & Steve

Just to say thank you for all your support to the Mobile Dental Unit while we were visiting Wren Spinney.

I hope we did not inconvenience you too much but really appreciated you allowing us to arrive early to accommodate the Mobile Dental Unit at the school, you are so welcoming and nothing is too much trouble and makes for a really smooth visit

So thank you once again and I look forward to seeing you in approximately 18 months time when we are due to visit again.

Kind Regards,

Dear Joyce

As always thank you so much for all your help while we were visiting Wren Spinney with the Mobile Dental Unit.

You put so much time and effort into making sure all the paperwork is back and making sure it gets to us, this on top of your own workload is amazing.

Thank you so much we could not do it without you !

All the help and support you give us makes our visits run very smoothly, so once again thank you so much and we will see you when we next return in approximately 18 months time

Kind regards
