

# Golden Thread

## CONTEXT

Specialist 'Special School'

- 9.1 million pupils in education
- 1.1 million SEN pupils without EHCPs 13%
- 389,171 SEN pupils with EHCPs 4.3%
- Approximately 50,000 SEN pupils with Severe Learning Difficulties 0.5%

At Wren Spinney the majority of pupils are working consistently below the National Curriculum with an average cognitive age level below 5 years old. The curriculum is extended for learners working at a cognitive age level of above 5 years, by providing access sessions. E.g. Phonics, Reading, Enterprise.

## CURRICULUM IMPLEMENTATION

### Curriculum Areas

(based on Equals)
