## **Wellbeing in our Trust**

We are all affected by poor physical and mental health at times during our lives and it is important the appropriate support is available in a timely manner.

Health and wellbeing is everyone's responsibility and we encourage an open and honest culture whereby anyone can discuss any issues they may have.

The Trustees of Creating Tomorrow take the health and wellbeing of all employees seriously and are committed to supporting our staff. The Trustees ensure that support for staff is available through:

- Effective line management
- Commitment to reducing workload
- Supportive and professional working environments
- Employee support programs
  - Health Assure (confidential counselling support available through Perkbox account).
  - Education Support: telephone number 08000 562561 or website [www.educationsupport.org.uk](http://www.educationsupport.org.uk)
