## This Weeks News

### Collaborative

Our Collaborative department have been joining in the Pumpkin Competition this week ahead of Halloween. There have been some amazing designs and we are hoping to get some of ours into the top 3 spots! Please see Class Dojo for the winners.

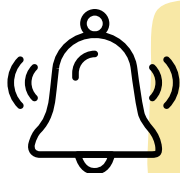

### Structured

The students in the structured department have enjoyed lots of sensory experiences and working with our SALT. We have been busy decorating our pumpkins for the pumpkin competition and we loved the African Drumming session. What a great week!  
Have a lovey half term!

### Sensory

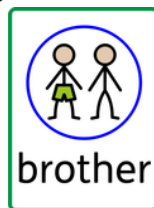

The Sensory Provision have been enjoying lots of creative activities this week linked to our Ghosts and Ghouls theme and in preparation for the class Pumpkin Competition on Friday, and our Halloween activities. We have been exploring different ways to use paints to create spooky pictures and have decorated some fantastic pumpkins.

We hope everyone has a lovely half term break.
