

WREN WEEKLY NEWS

This Weeks News Collaborative

Students from our Collaborative department have had an opportunity to go to Wellingborough Indoor Bowls Club for a taster session. They were able to have a go on the 100ft green (!!!) and experience how to roll the bowls. We are hoping to go back every other week after half term.

Sensory

All classes in the Sensory provisions have access to weekly sessions with Paul the music man, exploring and playing different instruments, sharing resources with peers, using resonance boards and dancing to our favourite songs. The sessions are always lively and fun and are a highlight of our week.

Structured

The students in the Structured department have enjoyed sensory play and impressed our visitors to the school, again. The students have engaged in intensive interaction and worked on increasing awareness of others. Next week all of our classes are going to decorate a pumpkin for our pumpkin competition. Good luck everyone!

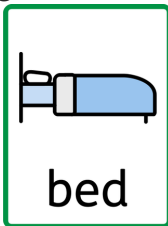

**Last day of term: Friday
