

WREN WEEKLY NEWS

This Weeks News

Collaborative

The Collaborative department have all been enjoying and engaging really well with the Equals module My Cooking. We are concentrating on one recipe at a time and repeating each week until the half term. This term will be Pasta.

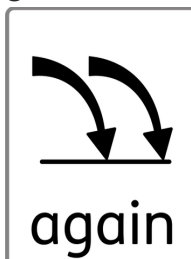

Sensory

Sensory Provision have been making the most of the sunshine this week, enjoying Outdoor learning and play sessions, exploring the playground and using the accessible play equipment, with the roundabout being a particular favourite! There have also been opportunities for some of the students to access the wider community for swimming and horse riding this week.

Structured

The students in the Structured provision enjoyed making pizzas, jellies and angel delight. They have worked hard on their communication skills using a variety of communication methods such as communication boards, SGDs and verbal communication. Next week we will continue to make these simple recipes and accessing a Halloween themed sensory story. Well done, everyone!
