Post Wren Spinney Destinations

Wren aims to support parents and carers with learners' post-18 transitions, from as early as year 11 (ages 15-16).

Contact with the adult transition team will be made, and advice will be offered during annual reviews. Parents and carers will also be invited to transition events with local providers.

If you have any concerns or questions, surrounding your child's transition at 18, please contact our well-being officer, Thea, using tsmith@wrenspinney.co.uk

Or, our careers leader, Anna, using akirkland@wrenspinney.co.uk

Alternatively, your social care team and local council transition team, will be able to support.
