Chief Executive Officer Kevin Latham

Chief Operating Officer Esther Bushell

Chief Finance Officer Anthea Murphy

Wren Spinney School

Creating Tomorrow Multi-Academy Trust are a growing Trust supporting schools who believe that children can achieve irrespective of their learning needs.

We have an exciting opportunity for a reliable and motivated individual to be part of the premises team at Wren Spinney School. Working during term-time, you will support the Site Manager in a range of general maintenance and cleaning tasks to ensure that the school is a safe, clean and attractive environment to learn in. An experienced driver with a D1 entitlement, you may be called on to support our school staff as they transport children to their off-site activities. Your principal responsibility will be for ensuring the school is locked and the site secured at the end of the day.

In return for your commitment to being a positive and friendly face around the school, we can offer a supportive working environment and opportunities to undertake premises-related training courses. If you are able to be flexible in the hours that you work, there may be the opportunity to take on additional shifts across either of our two sites in Kettering. If you enjoy working in a busy environment where no two days are ever the same, then we want to hear from you.

Closes: midday on 22nd February 2019

Interviews week beginning: 25th February 2019

For an application form please contact Ellie Edwards via email:

recruitment@creatingtomorrowmat.co.uk

Visits to the school are warmly encouraged please contact Wren Spinney 01536 481939.
